Apache Software Foundation - http 1.3.31

This product includes software developed by the Apache Software Foundation. This software is distributed in accordance with the following license agreement.

Apache License

Version 2.0, January 2004

http://www.apache.org/licenses/

TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and

improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

(a) You must give any other recipients of the Work or Derivative Works a copy of this License; and

(b) You must cause any modified files to carry prominent notices stating that You changed the files; and

(c) You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and

(d) If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.

END OF TERMS AND CONDITIONS

APPENDIX: How to apply the Apache License to your work.

To apply the Apache License to your work, attach the following boilerplate notice, with the fields enclosed by brackets "[]" replaced with your own identifying information. (Don't include the brackets!) The text should be enclosed in the appropriate comment syntax for the file format. We also recommend that a file or class name and description of purpose be included on the same "printed page" as the copyright notice for easier identification within third-party archives.

Appendix E
HyperHelp License Agreement

This is a legal agreement between you ("USER") and Bristol Technology Incorporated ("Bristol"). **By opening this sealed package, USER is agreeing to be bound by the terms of this agreement.** If USER does not agree to the terms of this agreement, promptly return the unopened disk package and the accompanying items (including written materials and binders or other containers) to Bristol Technology Incorporated, 241 Ethan Allen Highway, Ridgefield, Connecticut 06877 for a full refund.

LICENSE

1. Bristol Technology Incorporated grants USER the right to use each copy of the enclosed Bristol Technology Incorporated HyperHelp software program ("**HYPERHELP**"). The HyperHelp Compiler ("**COMPILER**") can be used on a single terminal connected to a single computer (i.e., with a single CPU) or one copy of the COMPILER on a LICENSED COMPUTER NETWORK. A computer network is any combination of two or more terminals that are electronically linked and capable of sharing the use of a single software program. A LICENSED COMPUTER NETWORK is a computer network for which USER has purchased and dedicated at least one (1) copy of the COMPILER for each user of the COMPILER across the network and where all copies of the COMPILER other than the one being used on the network are archived.

2. The HyperHelp Viewer ("**VIEWER**") may be used on multiple terminals for a single development group site. A development group site is defined as any number of users working on the same software product(s) at the same physical location. USER is free to copy and distribute the VIEWER with USER's application(s) without incurring any additional liability to Bristol Technology Inc.

3. The COMPILER and the VIEWER are owned by Bristol Technology Incorporated and are protected by United States copyright laws and international treaty provisions. Therefore, USER must treat the COMPILER and VIEWER like any other copyrighted material except that USER may either (a) make one copy of the COMPILER solely for backup or archival purposes, or (b) transfer the COMPILER to a single hard disk provided USER keeps the original solely for backup or archival purposes.

4. This agreement is personal to USER. USER may not rent or lease HYPERHELP. **USER may not transfer the COMPILER or the accompanying written materials without prior written permission from Bristol.**

5. **USER can not distribute the COMPILER to any outside party.**

6. **USER can only use COMPILER to compile USER's files.**

7. **USER can not de-engineer HYPERHELP or the .hlp format.**

TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT WILL SUN OR ITS LICENSORS BE LIABLE FOR ANY LOST REVENUE, PROFIT OR DATA, OR FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES, HOWEVER CAUSED REGARDLESS OF THE THEORY OF LIABILITY, ARISING OUT OF OR RELATED TO THE USE OF OR INABILITY TO USE OTHER SOFTWARE, EVEN IF SUN HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Some states do not allow the exclusion of incidental or consequential damages, so some of the terms above may not be applicable to you.

9. TERMINATION. This Agreement is effective until terminated. You may terminate this Agreement at any time by destroying all copies of Software. This Agreement will terminate immediately without notice from Sun if you fail to comply with any provision of this Agreement. Either party may terminate this Agreement immediately should any Software become, or in either party's opinion be likely to become, the subject of a claim of infringement of any intellectual property right. Upon Termination, you must destroy all copies of Software.

10. EXPORT REGULATIONS. All Software and technical data delivered under this Agreement are subject to US export control laws and may be subject to export or import regulations in other countries. You agree to comply strictly with all such laws and regulations and acknowledge that you have the responsibility to obtain such licenses to export, re-export, or import as may be required after delivery to you.

11. TRADEMARKS AND LOGOS. You acknowledge and agree as between you and Sun that Sun owns the SUN, SOLARIS, JAVA, JINI, FORTE, and iPLANET trademarks and all SUN, SOLARIS, JAVA, JINI, FORTE, and iPLANET-related trademarks, service marks, logos and other brand designations ("Sun Marks"), and you agree to comply with the Sun Trademark and Logo Usage Requirements currently located at http://www.sun.com/policies/trademarks. Any use you make of the Sun Marks inures to Sun's benefit.

12. U.S. GOVERNMENT RESTRICTED RIGHTS. If Software is being acquired by or on behalf of the U.S. Government or by a U.S. Government prime contractor or subcontractor (at any tier), then the Government's rights in Software and accompanying documentation will be only as set forth in this Agreement; this is in accordance with 48 CFR 227.7201 through 227.7202-4 (for Department of Defense (DOD) acquisitions) and with 48 CFR 2.101 and 12.212 (for non-DOD acquisitions).

13. GOVERNING LAW. Any action related to this Agreement will be governed by California law and controlling U.S. federal law. No choice of law rules of any jurisdiction will apply.

14. SEVERABILITY. If any provision of this Agreement is held to be unenforceable, this Agreement will remain in effect with the provision omitted, unless omission would frustrate the intent of the parties, in which case this Agreement will immediately terminate.

15. INTEGRATION. This Agreement is the entire agreement between you and Sun relating to its subject matter. It supersedes all prior or contemporaneous oral or written communications, proposals, representations and warranties and prevails over any conflicting or additional terms of any quote, order, acknowledgment, or other communication between the parties relating to its subject matter during the term of this Agreement. No modification of this Agreement will be binding, unless in writing and signed by an authorized representative of each party.

1.1.1.1 PART A-LICENSE OF EVALUATION SOFTWARE

Software provided to you on a complimentary basis for evaluation purposes, regardless of how labeled, is "Evaluation Software." Your possession and use of Evaluation Software will be governed by the terms set forth in this Part A and in Part D below.

1. Grant of License. InstallShield grants you a limited, personal, non-exclusive, non-transferable license to use the Evaluation Software solely to evaluate its suitability for your internal business requirements on the terms and conditions set forth in this Part A and in Part D below. Without limiting the foregoing, you may not use the Evaluation Software to create publicly distributed computer software or for any other commercial purpose. This license may be terminated by InstallShield at any time upon notice to you and will automatically terminate, without notice, upon the first to occur of the following: (a) the completion of your evaluation of the Evaluation Software or (b) the expiration of the 15- or 30-day evaluation period shown in the Evaluation Software.

2. Use of Evaluation Software. Since this is Evaluation Software, portions of the full-use version of the Software may be withheld or unusable and use of the Software may require accessing portions of the Software remotely through the Internet. Full use of the Software may be restricted by technological protections.

3. Disclaimer of Warranty. THE EVALUATION SOFTWARE IS PROVIDED ON AN "AS IS, WITH ALL DEFECTS" BASIS AND WITHOUT WARRANTY OF ANY KIND. ALL WARRANTIES, CONDITIONS, REPRESENTATIONS AND INDEMNITIES, WHETHER EXPRESS OR IMPLIED, ARISING BY LAW, CUSTOM, PRIOR ORAL OR WRITTEN STATEMENTS OR OTHERWISE (INCLUDING, BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, TITLE AND NON-INFRINGEMENT AND THE IMPLIED WARRANTIES AND CONDITIONS AGAINST HIDDEN DEFECTS ("VICES CACHÉS")), ARE HEREBY OVERRIDDEN, EXCLUDED AND DISCLAIMED.

PART B--LICENSE OF BETA SOFTWARE

Pre-Release Software provided to you for testing purposes, regardless of how labeled, is "Beta Software." Your possession and use of Beta Software will be governed by the terms set forth in this Part B and in Part D below.

1. Grant of License. InstallShield grants you a limited, personal, non-exclusive, non-transferable license to install and use copies of the Beta Software on a maximum of five (5) computers residing on your premises, solely for your internal testing on the terms and conditions set forth in this Part B and in Part D below. All other rights are reserved to InstallShield. You may not demonstrate or show the Beta Software to third parties without InstallShield's written permission. You may not use the Beta Software in a live operating environment where it may be relied upon to perform in the same manner as a commercially released product or with data that has not been sufficiently backed up. You may not use the Beta Software for benchmark or performance testing. This license may be terminated by InstallShield at any time upon notice to you and, in any event, will automatically terminate, without notice, upon the release of a commercial version of the Beta Software. Upon the termination of this EULA, You shall cease use of the Beta Software and, upon request, shall promptly return to InstallShield, or certify destruction of, all full or partial copies of the Beta Software and related materials provided by InstallShield.

2. Feedback. You will provide InstallShield with reasonable feedback on the Beta Software's performance, including but not limited to usability, bug reports and test results. You will review and comment on all documentation supplied. All bug reports, test results and other feedback made by you will be the property of InstallShield and may be used by InstallShield for any purpose it sees fit. Due to the nature of the development work, InstallShield is not certain if errors or discrepancies in the Beta Software may be corrected.

3. Support. InstallShield is not obligated to provide technical or other support for the Beta Software. However, limited technical support ("Support Services"), if noted in the materials provided to you by InstallShield, may be available. Use of any such Support Services is governed by the InstallShield policies and programs described in "online" documentation or in other InstallShield-provided materials. Any supplemental software code provided to you as part of the Support Services shall be considered part of the Beta Software and subject to the terms and conditions of this EULA. InstallShield may use technical information you provide to InstallShield for InstallShield's product support, development, and other business purposes. InstallShield will not utilize such technical information in a form that personally identifies you. Support Services may not be available in all countries outside the United States and will be discontinued upon release of a commercial version of the Beta Software.

4. Maintenance. InstallShield is not obligated to provide maintenance, technical support, or updates for the Beta Software. InstallShield is not obligated to release a commercial version of the Beta Software or to provide you with a copy of any commercial version that may be released.

5. Confidential Information. The Beta Software, including its features and the results of use or testing ("Confidential Information"), is confidential and proprietary to InstallShield. Confidential Information does not include information that you can prove (a) was already known to you prior to the effective date of this EULA, (b) became publicly known through no wrongful act by you, or (c) was received from a third party without similar restriction and without breach of this EULA. You will not disclose or provide Confidential Information to any third party except with InstallShield's written permission or upon judicial or governmental order, and you will give InstallShield reasonable notice prior to any such disclosure and will comply with any protective or equivalent order. This provision shall survive the termination or expiration of this EULA.

6. Disclaimer of Warranty. THE BETA SOFTWARE IS PROVIDED ON AN "AS IS, WITH ALL DEFECTS" BASIS AND WITHOUT WARRANTY OF ANY KIND. ALL WARRANTIES, CONDITIONS, REPRESENTATIONS AND INDEMNITIES,

WHETHER EXPRESS OR IMPLIED, ARISING BY LAW, CUSTOM, PRIOR ORAL OR WRITTEN STATEMENTS OR OTHERWISE (INCLUDING, BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, TITLE AND NON-INFRINGEMENT AND THE IMPLIED WARRANTIES AND CONDITIONS AGAINST HIDDEN DEFECTS ("VICES CACHÉS")), ARE HEREBY OVERRIDDEN, EXCLUDED AND DISCLAIMED.

PART C--LICENSE OF SOFTWARE

Your possession and use of any Software other than Evaluation Software and Beta Software will be governed by the terms set forth in this Part C and in Part D below.

1. Grant of License. Upon your payment of the full license price and acceptance of this EULA, InstallShield grants you a limited, personal, non-exclusive license to install and use the Software on the terms and conditions set forth in this Part C and in Part D below.

2. Restrictions on Use of Software. You may install and use one copy of the Software on a single computer only for your internal business purposes. You will not rent, lease, lend, sublicense, redistribute or otherwise allow third parties to use the Software directly or indirectly, whether on a time sharing, remote job entry, or service bureau arrangement or to provide commercial hosting services to third parties. You will not copy, modify or prepare derivative works of the Software. You may use the Software only in the language(s) which you select during installation or for which you acquire rights pursuant to an InstallShield Language Pack. You may not share the Software, except as set forth Section 3 below.

3. Shared Use on a Single Computer. Subject to the exceptions set forth at the end of this Section 3, a copy of the Software installed on a single common machine may be shared for internal use by employees and contractors of your business only, provided that a license has been purchased for each individual user. The following are exceptions to the provisions of this Section 3: (a) DemoShield Software may not be shared; and (b) The Standalone Build component of InstallShield DevStudio Software may be installed, reproduced and used on up to ten (10) computers residing on your premises, and a copy of the Standalone Build component may be shared on a common build/test machine on your premises and (c) The InstallShield Update Service components may be installed only on one computer but accessed by multiple users.

4. Authority. With respect to any licenses purchased to effectuate shared use on a single computer pursuant to Section 3 above, you represent and warrant that you are authorized to enter into this EULA on behalf of the business purchasing such licenses.

5. Redistributable Files. The Software's component parts may not be separated for use on more than one computer, except as set forth in this Section 6 or in clause (b) of Section 3 above. You may copy the files specifically identified as "Redistributables" in the printed or electronic documentation that accompanies the Software and redistribute them to the end users ("End Users") of the software code you create by using the Software ("Works"), subject to the following conditions: (a) copies of the Redistributables must be exact and unmodified; (b) you may distribute the Redistributables only with Works that add primary and substantial functionality to the Redistributables; and (c) you shall grant your End Users a limited, personal, non-exclusive and non-transferable license to use the Redistributables only to the extent required for the permitted operation of the Works and not to distribute them further. You will reproduce with the Redistributables all applicable trademark and copyright notices that accompany such Software, but you will not use InstallShield's name, logos or trademarks to market the Works.

6. Enterprise License Agreement. If you acquired the Software pursuant to an InstallShield Enterprise License Agreement, you may make the number of additional copies of the object code of the computer software portion of the Software permitted by the relevant Enterprise License Agreement, and you may use each copy in the manner specified above. You may not copy the printed

materials accompanying the Software.

7. Support Services. InstallShield may provide you with support services related to the Software ("Support Services"). The provision and use of Support Services is governed by the InstallShield policies and programs described in the Software user manual and/or in "online" documentation. Any supplemental software code provided to you as part of the Support Services shall be considered part of the Software and subject to the terms and conditions of this EULA. With respect to technical information you provide to InstallShield as part of the Support Services, InstallShield may use such information for its business purposes, including for product updates and development.

1.1.2 8. Limited Warranty. InstallShield warrants (a) that the Software will, for a period of ninety (90) days from the date of delivery, perform substantially in accordance with InstallShield's written materials accompanying it, and (b) that any Support Services provided by InstallShield shall be substantially as described in applicable written materials provided to you by InstallShield. TO THE MAXIMUM EXTENT PERMITTED BY LAW, ALL WARRANTIES, CONDITIONS, REPRESENTATIONS AND INDEMNITIES, WHETHER EXPRESS OR IMPLIED, ARISING BY LAW, CUSTOM, PRIOR ORAL OR WRITTEN STATEMENTS OR OTHERWISE (INCLUDING, BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, TITLE AND NON-INFRINGEMENT AND THE IMPLIED WARRANTIES AND CONDITIONS AGAINST HIDDEN DEFECTS ("VICES CACHÉS")) ARE HEREBY OVERRIDDEN, EXCLUDED AND DISCLAIMED, WITH REGARD TO THE SOFTWARE AND THE PROVISION OF OR FAILURE TO PROVIDE SUPPORT SERVICES. THE LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHERS, WHICH VARY FROM STATE/JURISDICTION TO STATE/JURISDICTION. Some states and jurisdictions do not allow disclaimers of or limitations on the duration of an implied warranty, so the above limitation may not apply to you. To the extent implied warranties may not be entirely disclaimed but implied warranty limitations are allowed by applicable law, implied warranties on the Software, if any, are limited to ninety (90) days.

9. Customer Remedies. In the event of any breach of the foregoing warranty or any other duty owed by InstallShield, the entire liability of InstallShield and its suppliers, and your exclusive remedy shall be, at InstallShield's option, either (a) return of the price paid by you for the Software (not to exceed the suggested U.S. retail price) if any, (b) repair or replacement of the defective Software or (c) re-performance of the Support Services. This limited warranty is void if failure of the Software has resulted from accident, abuse, or misapplication. Any replacement Software will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer.

1.2 PART D---GENERAL TERMS AND CONDITIONS APPLICABLE TO ALL SOFTWARE LICENSES

Your possession and use of the Software for any purpose will be governed by the terms set forth in this Part D and in Part A, B or C above, whichever is applicable.

1. Designation of Individual User. If you are a business organization, you must designate one owner, officer or employee in your organization to exercise the rights set forth in this EULA. The provisions of this EULA shall bind you and that designated person, jointly and severally.

2. Use of Software. Except as permitted pursuant to this EULA, you will not otherwise use or copy, translate, modify, adapt, decompile, disassemble or reverse-engineer the Software. 3. Ownership. All patents, copyrights, trade secrets, service marks, trademarks, and other proprietary rights in or related to the Software are and will remain the exclusive property of

InstallShield or its licensors, whether or not specifically recognized or perfected under the laws of the country where the Software is located. You hereby assign and agree to assign any and all rights you may have or acquire in or to the Software to InstallShield for no additional consideration. You will not take any action that jeopardizes InstallShield's or its licensors' proprietary rights or acquire any rights in the Software, except the limited rights set forth in this EULA. InstallShield or its designee will own all rights in any copy, translation, modification, adaptation or derivation of the Software, including any improvement or development thereof. At InstallShield's request, you will execute or obtain the execution of any instrument that may be appropriate to assign these rights to InstallShield or its designee or to perfect these rights in InstallShield's or its designee's name. You may make one copy of the Software for back-up and archival purposes. 4. Confidentiality. You acknowledge that the Software is and incorporates confidential and proprietary information developed, acquired by or licensed to InstallShield. You will take all reasonable precautions necessary to safeguard the confidentiality of the Software, and will not disclose any information about the Software or the Software evaluations or reports to any other person without InstallShield's prior written consent. You will not allow the removal or defacement of any confidentiality or proprietary notice placed on the Software. The placement of a copyright notice on the Software will not constitute publication or otherwise impair its confidential nature. You acknowledge that any breach of this Section will cause irreparable harm to InstallShield and its licensors.

1.2.1

5. Transfer of Software. You may not, by operation of law or otherwise, transfer any license rights or other interests in Evaluation Software, Beta Software, or Software labeled "Not for Resale" or "NFR." Any purported transfer not in accordance with this Section 8 will be void.

6. Limitation of Damages. IN NO EVENT SHALL INSTALLSHIELD, ITS LICENSORS OR SUPPLIERS OR ITS OR THEIR RELATED COMPANIES BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR INCIDENTAL DAMAGES OR LOST PROFITS, WHETHER FORESEEABLE OR UNFORESEEABLE, BASED ON CLAIMS OF YOU OR ANY OTHER PARTY ARISING OUT OF BREACH OR FAILURE OF EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, MISREPRESENTATION, NEGLIGENCE, STRICT LIABILITY IN TORT, FAILURE OF ANY REMEDY TO ACHIEVE ITS ESSENTIAL PURPOSE OR OTHERWISE. EXCEPT WITH REGARD TO PAYMENTS DUE INSTALLSHIELD, NEITHER PARTY SHALL BE LIABLE FOR ANY DELAYS OR FAILURES IN PERFORMANCE DUE TO CIRCUMSTANCES BEYOND ITS REASONABLE CONTROL THAT COULD NOT BE AVOIDED BY ITS EXERCISE OF DUE CARE.

7. Upgrades and Subscription. If the Software is labeled or otherwise identified by InstallShield as an "upgrade" or "subscription," you must be properly licensed to use a product identified by InstallShield as being eligible for the upgrade in order to use the Software. Any Software labeled or otherwise identified by InstallShield as an upgrade replaces and/or
